

Camp Broadwater Summer Schedule 2010

Week One *“Into the Wild”*

This week you're the detective! We will learn about, and create our own creepy crawlers. Campers will start their summer by going on fun bug hunts and nature walks! They'll earn badges, and play plenty of outdoor games. Cocoon, Cootie Bug Race, Squirt Relay, and Bug Bingo are just some of the games we will play. By the end of the week, they'll be official Wilderness Explorers!

Week Two *“Under the Sea”*

This week we will explore the ocean! We will play water games, as well as learn about the various creatures that roam the sea. Shark Tag, Deep Sea Relay, Sea Creature Dive, and Cold Potato are just a few of the activities we will do.

Week Three *“Exploring the Jungle”*

This week we will soar from the treetops in search of jungle creatures. We will search to find the perfect insect to create our own fossil. Dead Tigers, Underwater Safari Hunt, Jungle Water Freeze Tag, and Jungle Charades are just some of the other activities we will do.

Week Four *“Stars and Stripes”*

Come celebrate our Country's Independence this week. Week four we will play a variety of traditional games, as well as learning our Country's history. Balloon Toss, Sack Races, Capture the Flag, and Patriotic Trivia are just some of the activities that we will do.

Week Five *“Blast Off”*

It is our greatest pleasure to announce that you campers have been selected to take a trip, on our Mission to Mars! We will do activities such as, Water Spaceship Creator, and Cosmo Dodge ball.

Week Six *“All Ball”*

This week the ball is in YOUR court. We will put on our thinking caps as we try all of the traditional sports games, as well as playing games that many of us may have not played. Basketball, Football, Volleyball, Tennis, Golf, Cricket, Water Polo, and Broom Ball are just some of the games we will play.

Week Seven *“Wild About Dinosaurs”*

Dinosaurs big and small, where did they come from? What made them become extinct? We will be Paleontologists for the week. We will dig for dinosaur bones, put them together and make our own fossils. Through our research, some of our questions about Dinosaurs will be answered.

Week Eight *“Calling all Super Heros!”*

We will celebrate our Heroes, both real and make-believe. Who is your favorite Super Hero; Spiderman, Captain America, Wonder Woman, etc.? We will work on a group comic book as well as our own comic book. A Super Hero contest to show your super hero talent will end the week.

Week Nine *“Around the World”*

The sun never sets at camp. Get ready to embark on a voyage around the world. Put on your traveling shoes! Campers will learn all about the culture, the language, and the food of every country we visit!

Week Ten *“Go Green!”*

Reduce, Reuse, Recycle! Campers will think green as they learn to be green and reduce our carbon footprint. Learn cool ways to save our Earth then share our ideas with our friends and families! This week will feature eco-hikes, recycling games & activities, and tons of fun while our camp goes green.

Week Eleven *“Wild West”*

Howdy Partners! Grab your saddle and boots and saddle up for a wild ride. We will lasso up some fun as we engage in activities from the wild west. Bobbin' for Apples, Horseshoes, Wild-West Relay, and Mining for Gold are just some of the activities we will do this week to finish off our Camp Broadwater for the summer of 2010!
